

IMPORTANT INSTRUCTIONS FOR CANDIDATES

1. Arrive early. Make sure that you do not enter the test room before being invited.
2. Candidates are not allowed to minimise or close the test platform.
3. Candidates must not wear wristwatches during the written components. They must take them off and place them on their desks. Candidates can access wristwatches during breaks.
4. Candidates must not bring any other materials - dictionaries, calculators, course books, or notes, whether printed, stored on the PC or from the internet.
5. Candidates must ensure that all mobile phones, pagers, tablets, smartwatches, and other electronic devices are turned off and hand them to the invigilator.
6. Candidates who have just completed the test have no opportunity to talk with others waiting outside the exam room to take the test in the next session.
7. Candidates must leave quietly as soon as they have reached the end of the test.
8. Avoid any other violation(s) that can affect your test.

The only items which are authorised at the candidates' desks in the test room are:

- Photo IDs such as student I.D card, passport, or driving licence
- Water in a clear plastic bottle
- Tissues and/or medicine
